## FALL 2018

The central image of the poster is a photograph of a modern, curved glass building. The building has a white frame and a curved top. A black sign with white text that reads "LEARNING COMMONS" is mounted on the building's facade. The building is surrounded by other buildings and a clear blue sky. In the foreground, there is a small green bush and a paved area.

# INTRODUCING NCCC'S NEW LEARNING COMMONS

The Learning Commons Center is a \$25 million dollar project on the NCCC Sanborn campus that will open its doors in beginning of the fall 2018 semester. It is anticipated the Learning Commons will become the nucleus of the campus; a place for faculty to collaborate and help students develop critical thinking skills while incorporating state-of-the-art technology, multiple student support services, and a home for both students and staff. The Learning Commons will be home to Academic Coaches, Student Support Staff, Student Tutoring, the Child Development Center, the Dolce-Valvo Art Gallery and the Office of Information and Technology.

# SMALL BUSINESS DEVELOPMENT CENTER

**ATTENTION** existing small-businesses and entrepreneurs. The Niagara Small Business Development Center (SBDC) provides management and technical assistance. Services include business planning, development of marketing and global strategies, cash-flow projections, and financial analysis. The SBDC is staffed by knowledgeable, experienced professionals who can provide you with expert individualized counseling to help you grow your business.

Administered by the State University of New York (SUNY), the center specializes in free and confidential one-on-one counseling dealing with small-business opportunities and problems.

The SBDC also offers training and instructional programs targeted to the needs and interests of the small business.
