

For the Week of September 27, 2021

COVID Reminders:

If you have to test, please check the accuracy of your profile in your COVID Testing App. Your test will not count if your birthdate, college location, etc is wrong. If your profile information is inaccurate, you may be asked to retest a second time in one week. Also, please be sure that you are using your legal name in your profile and that your legal name is also written on the vial in the testing center. It is very important that the names match exactly. Thank you for your continued cooperation.

Vaccination Reminders:

Just a friendly reminder that the deadline for the state-mandated COVID-19 vaccine for SUNY - The State University of New York students is TODAY. All students are required to be fully vaccinated by September 27 in order to attend in-person classes or receive any in-person services on campus. Please ensure you have started the vaccine series or have shown proof of vaccine by today. You can take your card to the Wellness Center on the Sanborn Campus (C-122) or send pictures of the front and back of the vaccine card to:
