

## Enrollment Center:

### Deadline to Request an S/U/W Grade or Withdraw from the College

**Monday, November 29** is the last day to request an S/U (Satisfactory/Unsatisfactory) grade or withdraw from a class (W grade). November 29 is also the **last day to withdraw from the College** with X grades (applies to all full-term courses). Mod courses differ in deadlines – refer to the online [Student Calendar](#) for more information.

Please be mindful of the possible implications for transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please check with Financial Aid for questions related to Excelsior.

- **Withdraw from a Class** – To drop a course and receive a W (withdrawal) grade as a final grade, complete the electronic - [Drop or Withdraw from a Course](#) form.
- **Withdraw from College (All Classes)** – To withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Withdrawal from College](#) form. If you completed any modular courses, you will receive the grade earned and “W” grades will be applied to all other college coursework.
- **Satisfactory/Unsatisfactory (S/U) Grades** – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student’s advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades.

If you have any questions, please email [records@niagaracc.suny.edu](mailto:records@niagaracc.suny.edu) or stop by the Enrollment Center desk in the A-building lobby.

#### Wellness Tip of the Week

Are You Getting Enough Sleep?  
Some Tips to Getting Better Sleep

- ★ Limit consumption of caffeine and alcohol. Heavy dinners, caffeine, alcohol, and midnight snacks cause difficulty falling asleep.
- ★ Stop using all technology 30 minutes prior to sleep. The blue light emitted from the screens messes with our brain's production of melatonin, which can reset your body clock and delay sleep.
- ★ Try to get at least 8 hours of sleep each night.
- ★ Exercise helps you sleep better. Exercise helps by increasing the amount of time you're in deep sleep.
- ★ Nap if you need to. If you feel like productivity is slipping, you're constantly hungry or you fall asleep immediately after your head hits the pillow or following asleep in class, you're likely sleep deprived!
- ★ Change your sleep position. Sleeping on your side or back has been studied to be a better sleep position for quality sleep.

### 2021 GIVING TREE

The 2021 Giving Tree is set up in the Learning Commons! Each year, local nonprofit agencies provide NCCC with a wish list from area children. Please help us out by taking a name from the tree, tag the tag, purchase a gift and hang it on the tree in the Student Life Office in G-243 by December 16<sup>th</sup>.

This year one of the organizations will be putting together "Family Gift Baskets" for their foster kids and families. Simply take an ornament that says "Basket Items" and the list of Basket Item Ideas. Either purchase items or put an entire basket together. Make it fun by including your family or office! Every gift helps!

Please give with your heart, as this might be the only gift the child will receive. Thank you!
