INFORMATION FOR THE STUDENTS OF NCCCC

### Spring 2022 Deadline to Request an S/U/W Grade or Withdraw from the College:

**TODAY, April 18, is the last day to request an S/U** (Satisfactory/Unsatisfactory) grade or withdraw from a class (W grade). April 18 is also the **last day to withdraw from the College** with X grades (applies to all full-term courses). Mod course deadlines differ – refer to the online [Student Calendar](#) for more information.

**Please be mindful of the possible implications for transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please check with Financial Aid for questions related to Excelsior.**

- **Withdraw from a Class** – To drop a course and receive a W (withdrawal) grade as a final grade, complete the electronic - [Drop or Withdraw from a Course](#) form.
- **Withdraw from College (All Classes)** – To withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Withdrawal From College](#) form. If you completed any modular courses, you will receive the grade earned and “W” grades will be applied to all other college coursework.
- **Satisfactory/Unsatisfactory (S/U) Grades** – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student’s advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades.

*Sponsored by the Wellness Center*

The NCCC Wellness Center is hosting the nationally-recognized Clothesline Project exhibit beginning Monday, April 18<sup>th</sup> and ending Friday, April 22<sup>nd</sup>. This event is devoted to victims of Sexual Assault crimes. The main purpose of this project is to document and raise society's awareness of the extent of the problem of domestic violence and sexual assault. The exhibit will be on display in the hallway outside of the Student Entertainment Lounge (SEL) G-117. Each t-shirt or garment on The Clothesline is decorated by a female or male survivor of violence to represent her/his experiences and express her/his feelings. Shirts can also be made to remember a person who has been murdered. Each shirt tells an individual victim's story. When displayed together, they are a powerful testimony about the war being waged against women/men.

The Clothesline Project is about direct, personal violence against women/men and shirts are color-coded for different types of violence. The color difference is very important and is as follows:

- White - for someone who has died because of violence;
- Yellow or beige – survivor of physical assault or domestic violence
- Red, pink, or orange – survivor of rape or childhood sexual abuse
- Blue or green - survivor of incest or childhood sexual abuse
- Purple or lavender – someone attacked because of their sexual orientation
- Brown or gray – survivor of emotional, spiritual, or verbal abuse
- Black – someone disabled as the result of an attack or someone assaulted because of a disability

Our NCCC Mental Health Counselors will be available during the entire event. In addition, a representative from the YWCA will be here on Monday, 4/18 and a representative from the Pinnacle Passages program will be here on Wednesday, 4/20.

The Wellness Center has also partnered with Student Life to bring Marissa Cohen, best-selling author, survivor speaker, and change agent to campus on Tuesday, 4/19. She will provide presentations in the SEL at 8:00, 9:30, and 2:00. Please feel free to come and listen to her. All are welcome. Questions may be directed to the Wellness Center at Ext. 6275.
