INFORMATION FOR THE STUDENTS OF NCCCC

Spring 2022 Deadline to Request an S/U/W Grade or Withdraw from the College:

Monday, April 18 is the last day to request an S/U (Satisfactory/Unsatisfactory) grade or withdraw from a class (W grade). April 18 is also the last day to withdraw from the College with X grades (applies to all full-term courses). Mod course deadlines differ – refer to the online [Student Calendar](#) for more information.

Please be mindful of the possible implications for transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please check with Financial Aid for questions related to Excelsior.

- **Withdraw from a Class** – To drop a course and receive a W (withdrawal) grade as a final grade, complete the electronic - [Drop or Withdraw from a Course](#) form.
- **Withdraw from College (All Classes)** – To withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Withdrawal From College](#) form. If you completed any modular courses, you will receive the grade earned and “W” grades will be applied to all other college coursework.
- **Satisfactory/Unsatisfactory (S/U) Grades** – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student’s advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades.

If you have any questions, please email records@niagaracc.suny.edu or stop by the Enrollment Center desk in the A-building lobby.

What you need to know about Ramadan 2022

When is Ramadan 2022?
April 1st or 2nd to May 1st or 2nd

What is Ramadan?
Ramadan is the ninth month of the Islamic calendar and the holy month of fasting.

What do Muslims do in Ramadan?

- Suhoor:** pre-dawn meal
- Iftar:** meal to break the fast after sunset
- Salah:** prayer
- Eid al fitr:** holiday at the end of Ramadan
- Fasting:** Muslims do not eat or drink anything between sunrise and sunset.
- Charity and Community:** increased acts of charity, feeding others or the less fortunate, and community iftars.

Key terms

How you can support your Muslim students

Academics

- Be mindful that some students are fasting
- Permit students to leave class to pray when necessary
- Work with students to make up class assignments they may miss during Ramadan
- Reasonable supportive measures for taking exams and finals given the struggle of their changed schedules and eating habits
- Be accommodating to students who may wish to not attend class to participate in Eid al Fitr on May 2nd

Living on campus

- Raise awareness that prayer schedules may affect roommates
- Create a safe and comfortable living environment
- Understanding of Ramadan as a time of spiritual cleansing and reflection
- Check on students mental health and well-being

Please refrain from offering food and drinks to students observing Ramadan during fasting hours
