### Dining Commons:

Dining Services is excited to announce the return of the Salad Bar and Yogurt Bar to Dining Commons. This will be an attended salad bar, with one of our skilled Dining Services attendants custom building your salad to your specifications Pricing will be by weight. In our student focus group as well as speaking with staff and faculty, two factors were expressed: the desire for a salad bar and concern over customer handling of foods. By making our Salad Bar an attended buffet (much like Chipotle) we are happy to address both concerns.
