

Enrollment Center News:

Winter & Spring 2023 Course Offerings Will Be Available on Friday, October 7!

Take a look at courses being offered in Winter & Spring 2023 by viewing [Course Offerings](#) on Banner Web.

Current students

- Current students can schedule Winter and/or Spring 2023 classes beginning **Monday, October 17**.
- Determine the first day YOU can register for classes in Banner Web by checking your **registration eligibility date** at the top of your degree evaluation in [Degree Works](#) and be sure to **schedule an appointment to meet with your Academic Advisor** to create your plan for next semester. You **must** meet with your Academic Advisor to obtain your RAP number. Visit our [Current Student Registration](#) webpage for more information.

Non-Matriculated students (not in a degree or certificate program)

- Non-Matriculated students can schedule classes online in Banner Web for Winter 2023 starting October 17 and for Spring 2023 starting November 7. Detailed non-mat registration information is located on the [Non-Matriculated Student Registration](#) webpage.

Flexible Instructional Methods

- There are a variety of flexible instructional methods offered in addition to traditional face-to-face options. [Click here](#) to learn more about instructional methods.

Student Profile

Remember to use the **Student Profile** in [Banner Web](#) to find detailed information about your:

- Academic record, including your **advisor's name and contact information**
- Holds that may prevent registration
- Registration Eligibility date (i.e. first day you can register for classes) found under Registration Notices in top right of the page.

The Profile can be found on the Registration tab in [Banner Web](#). You can also find your registration eligibility date and advisor contact information at the top of your degree evaluation in [Degree Works](#). Questions? Check out our [FAQ's](#).

Take advantage of this opportunity to create the best schedule for yourself!
