Henrietta G. Lewis Library News:

Study Room Policies

The Lewis Library has quiet study rooms that can be reserved for specialized study or synchronous online classes.

You must use your @mynccc.niagaracc.suny.edu email address.

Reservations are not booked until you receive a confirmation email.

When arriving to the Library, you must first visit the circulation desk to check out your room key.

Laptops and headphones are available to be checked out, if needed.

Students are required to:

- Use headphones
- Speak quietly when participating in class discussions
- Maintain social distance if sharing the room with a classmate
- Wipe down work areas with the provided disinfectant wipes before and after use

If a student is caught violating policy they may lose study room access for the remainder of the semester. If policy violations become common, the Lewis Library may suspend all study room usage.

If you do not arrive within 20 minutes of your booking start time, your booking may be cancelled.

Niagara Pride Expands Its LGBTQ+ Community Needs Survey to Cover All Of WNY

WNY is home to a diverse lesbian, gay, bisexual, transgender, and queer (LGBTQ+) community. As individuals and as a community, we have abundant strength, resiliency, and resourcefulness. At the same time, our community continues to be disproportionately affected by a range of physical, mental, and behavioral health, economic, social, legal, and political issues, and our needs can be overlooked by mainstream organizations. The purpose of this survey is to gather information that will help meet the needs of LGBTQ+ people throughout WNY. This survey is being conducted by Niagara Pride, Inc., a 501(c)(3) organization serving LGBTQ+ individuals and families in Niagara County and WNY, with a mission of providing charitable, educational, and social programming. **It is important to note that the survey is not agency specific, therefore, it will not ask questions about Niagara Pride or other community providers, but rather, asks general questions about various services and it participants feel safe and affirmed at the various community providers they use.**

In 2021, Niagara Pride launched the survey with a focus on only Niagara County residents. This year, the survey has been expanded to capture data from residents from all 8 counties of WNY.

This survey will ask questions about:

- Participant opinions about the most important issues facing them and the community right now;
- Participant experiences trying to get help for various concerns impacting their lives; as well as
- Participant feelings of physical and emotional safety in various aspects of daily life, as well as feelings of connection to the community

We anticipate that this survey will take about 15-30 minutes to complete. The information shared will help bring attention to what we need in WNY and the surrounding areas to support the needs, equality, dignity, and well-being of the LGBTQ+ community. Data collection will run from September 1, 2022 until 11:59pm on November 30, 2022. Niagara Pride anticipates being able to release a summary of the data by the end of December 2022/early January 2023.

To participate in the survey, please go to <https://forms.office.com/r/aqAQQtCHYC2> or use the QR code in the image above.

Niagara Pride is asking community service providers all over WNY to share this information so that individuals can participate and make their voices heard
