INFORMATION FOR THE STUDENTS OF NCCCC

A weekly newsletter with news & information for Niagara County Community College Students

Campus will Experience a LOCKDOWN DRILL on Thursday, March 2 at 11 am.

LOCKDOWN DRILL NOTIFICATION LETTER from PUBLIC SAFETY:

On Thursday, March 2, we will be conducting a lockdown drill on our Sanborn campus. Lockdown drills are conducted to increase safety and to prepare students and staff in the event of a real lockdown. An announcement and alarm will sound for a lockdown drill. An **NCCCC ALERT** text and email message will be sent. Instructors will lock their classroom door and turn off the lights. Students will move quietly, without talking, to a safe corner of the room, and then sit on the floor against a wall, where they are not visible from the windows or doors. The Instructor will stay with the students and help them remain quiet and calm. Office staff will secure in their respective areas. Individuals in hallways and common areas (EG. Athletics, Dining area, Learning Commons and Library) will immediately locate to a secure area and lockdown.

The drill will last approximately ten minutes. During the drill, students and staff will not be allowed into the hallways. The Public Safety and Operations team will make a quick check that all classroom and office doors are locked and secure throughout the building. After the entire campus has been checked, an "All Clear" announcement will be made over the intercom and **NCCCC ALERT** notification. Staff and students will resume normal schedules and activities in their classrooms.

Student and staff safety are our number one priority in NCCCC. We conduct these drills because we want students and staff members to know their important roles in these unique situations, and to practice and evaluate the procedures we have in place. After the drill, the staff will debrief and discuss the event, and identify areas for improvement. We anticipate concerns and questions and will use the responses in future planning. Please email public safety at security@niagaracc.suny.edu with feedback.

LOCKDOWN DRILL PROCEDURES

1. All occupants are required to participate in the lockdown drill, including visitors and or contractors.
2. The drill will begin with a verbal lockdown notification via the alarm system.
3. The duration of the announcement will continue for 5-10 minutes.
4. NCCCC Public Safety and the Operations staff will observe and document compliance with drill requirements.
5. The drill will officially end when a verbal "All-Clear" is given over the speaker system and an **NCCCC ALERT** notification.

During a Drill

1. Identify safe rooms and secure locations.
2. If not in a secure location, go to the nearest restroom, closet, or office and secure yourself.
3. Move to the safest part of the room, away from doors and windows.
4. Turn off all lights, computer monitors, and projectors.
5. Cover door windows with window cover, shades, or paper.
6. Pull down window shades.
7. Silence cell phones.
8. Assist individuals who need assistance.
9. Remain quiet.
10. Wait until the "All-Clear" message is announced over the speaker system or **NCCCC ALERT** before resuming normal activities.

at 12:30-1:30 pm in the Employee Dining Room (G211)
Open Session for faculty, staff, and students**

- ✓ Session will Explain the accreditation process
- ✓ They will Discuss the role of faculty, staff, and students in the accreditation process, specifically involvement in the Team Chair's Preliminary Visit and the Evaluation Team Visit

What is The Middle States Commission on Higher Education (MSCHE)?? It is an institutional accreditor recognized by the United States Department of Education (USDE) that serves as an independent voice in higher education. MSCHE establishes equitable standards for accreditation with member institutions that advance the impact of accreditation in the ever-changing landscape of higher education and promotes educational excellence through innovation across diverse institutions. Join us on March 3rd to hear more about how **YOU** can be a big part of the MSCHE visit.

Congratulations to Nearly 600 Students Who Earned Academic Accolades for Fall 2022!

On behalf of your NCCC faculty, I'd like to congratulate the 598 students who achieved high academic achievement for fall 2022. Your success is our pride! Take a look at these stats:

- 328 students made the Dean's List. These students were full-time last semester, completed all of their coursework and attained a GPA between 3.5 and 3.9.
- 118 students made it to the President's List, having met all of the criteria of the Dean's List and attained a perfect 4.0 GPA.
- 152 people earned Part-time Honors. These students took six to 11 credits, completed all of their coursework and attained a GPA of at least 3.5.

Visit <https://www.niagaracc.suny.edu/academic-accolades/> for the complete listing. Keep up the great work!

Student Showcase:

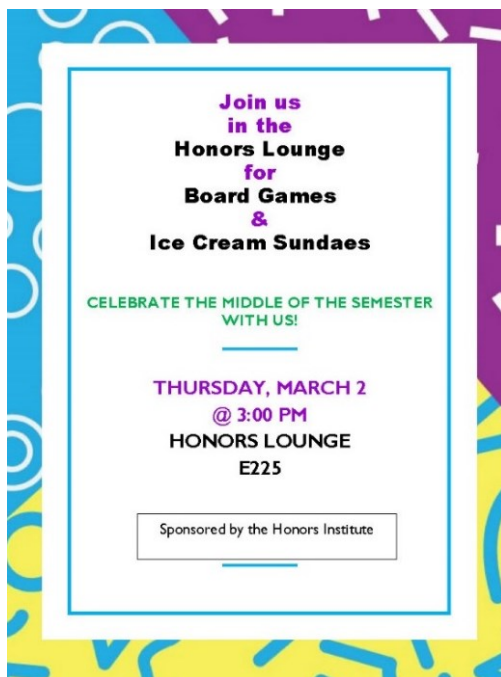

The application for the 2023 Student Showcase is now live and is available here: <https://www.niagaracc.suny.edu/showcase/apply/>

We have a good slate of student-scholars who have expressed interest in the Showcase and will be working with their faculty mentors to complete the application. However, there is plenty of time for additional students to apply. If you have a student or team of students that have demonstrated initiative and drive in their studies, please suggest the Showcase to them and consider mentoring them through the process. Participation in the Showcase provides many benefits to students, particularly with high levels of learning success, but there are cash prize incentives, too. Prizes will be awarded in the following categories:

- Business & STEM
- Arts, Humanities, and Social Sciences
- Hospitality, Baking and Culinary Arts
- Nursing, Physical, and Allied Health
- Honors
- People's Choice
- First Year Student (new this year)

*Divisional prizes and first year award are dependent on the number of applicants. Please encourage students to participate!

Additional information about the Showcase is located here: <https://www.niagaracc.suny.edu/showcase/> or please contact any of the faculty librarians with questions: Andrew Yeager, Andy Aquino, and Jean Linn.
