

NIAGARA COUNTY COMMUNITY COLLEGE

Environmental Studies, A.S.

Overview

Our program can turn environmental advocates into seasoned ecological professionals. Courses in biology, zoology, and botany, combined with studying contemporary environmental issues prepare students for an earth-friendly career. At NCCC, our graduates cultivate the foundational work for careers in environmental law, conservation, park management, public policy, non-profit organizations and government agencies.

Designed for transfer into a 4-year institution.
