### **Enrollment Center:**

#### **Important Spring Deadline**

The deadline to request an S/U/W Grade or withdraw from the College is **Monday, April 17**.

- **Withdraw from a Class** – To drop a course and receive a W (withdrawal) grade as a final grade, complete the electronic [Drop or Withdraw from a Course](#) form.
- **Withdraw from College (All Classes)** – To withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Request for College Withdrawal \(All Classes\)](#) form. If you completed any modular courses, you will receive the grade earned and “W” grades will be applied to all other college coursework.
- **Satisfactory/Unsatisfactory (S/U) Grades** – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student's advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades.

Mod courses differ in deadlines – refer to the online [Student Calendar](#) for more information.

If you would like to discuss these options, please contact the Student Success Center at 716-614-6290 or email [studentsuccess@niagaracc.suny.edu](mailto:studentsuccess@niagaracc.suny.edu).

If you have any questions about submitting a form, please email [records@niagaracc.suny.edu](mailto:records@niagaracc.suny.edu) or stop by the Enrollment Center in A-105.

**Please be mindful of the possible implications for transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please contact the Financial Aid Office for questions related to Excelsior.**

**In a world where competition seems to exist at every turn isn't it time we started doing it intentionally, and to the betterment of our student populations? In this session participants will have the opportunity to learn about a teaching model that intentionally presents habits of mind that support using episodes of competition to the benefit of their students. Purposeful Competition will have your students striving with one another to support environments of excellence, mutual dependence and risk-taking toward a more intentionally purposeful existence.**
