Wolf Packed!

OER Courses & Wolf Packed

As most of you are aware, Niagara County Community College introduced Wolf Packed, a new course material delivery program that provides access to required print or digital course materials in a convenient package. Certain courses are using materials that are available in the public domain. The materials are commonly referred to as open education resources, or OER. OER materials are not included in the Wolf Packed program and do not appear on the Barnes & Noble College webpage. For courses using OER materials, your instructor will provide course materials or instructions how to obtain.

A list of OER courses is located at <https://niagaracc.suny.edu/course-offerings.html>

To view, select *Fall Semester, 2023* term and within the *Attribute* field type in "OER", select Open Education Resources and click search.

For more information about Wolf Packed program visit <https://www.niagaracc.suny.edu/academics/wolfpacked/>
