Justice, Equity, Diversity, and Inclusion

Come one, Come all and join in the JEDI Walk! Once again this year the Social Justice, Equity, Diversity, and Inclusion (JEDI) Committee is committed to offering our campus community an opportunity to walk, talk, and commit to social change by interacting with one another and grabbing some steps toward a healthier self! **This Tuesday, September 26th at 1:45pm** we will be meeting in the Learning Commons near the FRCAE entrance for our first 30-minute walk of the year.

This month's talk will center around the Social Justice topic of Climate Justice. On the heels of multiple natural disasters (Floods in Libya killing thousands, Earthquake in Morocco killing thousands, Hurricanes off the Atlantic and much, much more) our group will discuss who is impacted, what options remain available to global and local partners, and what solutions we might consider as Niagara County residents, citizens of the United States, and co-inhabitants of the planet Earth. Hope to see you there!,

Also, Niagara County Community College will be honoring Orange Shirt Day by participating in the Remembrance Walk taking place at Seneca Niagara Resort and Casino in Niagara Falls Saturday September 30th at 11am. This walk provides an opportunity to show support for the memory of Indigenous children who were sent away to residential schools that were designed to rob them of the families and heritage, some of whom didn't survive. As a partner of the Native American community NCCC is offering shuttle service to and from the walk on Saturday. Please arrive at the front of the Learning Commons entrance way before 10:15am on the morning of the 30th to take advantage of this opportunity. After the walk, participants will be shuttled back to NCCC and dropped off at the same location. AGWA:IWA'HASDE', ÖGWAYA'DAGÖHSOTA
