

Commemorative Flag Tribute for Veterans' Day:

NCCCC's Veteran Association will be offering American Flags that may be dedicated in honor or in memory of a family member or friend who has served or is currently serving in the Armed Forces. The flags will be displayed for Veterans' Day and throughout the month of November. Join us in creating a poignant tribute to our veterans. Flags are available in the Enrollment Center (A123), and in Veteran Services (B103). Donation start at \$1. Digital donations may also be made on the [Veteran Services web page](#).

Dear students:

We extend our deepest condolences to those impacted by the deadly attacks in the Middle East and the ongoing violence in the region. Our thoughts are with those in the community affected by this tragedy, and their loved ones who may be watching the devastation from afar. Remember that **TELUS Health Student Support** is accessible 24/7/365 by calling 866-743-7732 or visiting [myssp.app](#). The website features additional information and tips on coping with traumatic events. While chat and telephone support are always open for eligible students 24/7, TELUS Health has also opened their **24/7 Community Crisis Support Line** for anyone in the community in need of support in various regions around the world. **This line has been opened specifically for those who are not TELUS Health Student Support customers who, otherwise, may not have access to mental health and wellbeing support related to this tragic event.** By calling, individuals will receive professional emotional support and/or referral to community resources.

The Community Crisis Support Line for non-Student Support clients can be reached at:

FALL 2023 SCREENING SCHEDULE

NCCCinephiles

Expand Your Horizons . . .

All too often, human beings find themselves in a rut. We need to branch out, to explore something different. Artists do this, too, often with invigorating results. They collaborate with new people or investigate a different form of art. Actors play against type. Join the NCCCinephiles this term for two splendid movies that will open your eyes.

Inherit the Wind
(Stanley Kramer, 1960)

Thursday, October 26, 3-4:15, E-142 | Presented by S. V. Buffamanti

How far would you go to stand up for what you believe in? How should good people who disagree on fundamentals interact in a democracy? Kramer's movie presents the dramatized controversy of the Scopes "Monkey" trial, a case that still seems relevant. Stellar performances by Spencer Tracy and Fredric March (the actor whose Marlon Brando admired above all others) are standouts, but other casting choices offer surprises, too.

La Belle et la Bête
(Jean Cocteau, 1946)

Monday, November 27, 2-4:15, E-142 | Presented by S.V. Buffamanti

Decades before Walt Disney Studios surpassed expectations when the animated Beauty and the Beast earned a nomination for Best Picture at the Academy Awards, Jean Cocteau and a bevy of collaborators used movie magic to bring that fairy tale to life in a live-action film that quite literally sparkles. Cocteau's influence continues to this day across many forms of art, including theater, film, and music. Come welcome in the winter months with a classic fairy tale, as you have never before seen it.

The Stall Street Journal is produced by the Office of Student Life (G243). If you would like to advertise your program, stop by the office of student life or email: studentlife@niagaracc.suny.edu or jlindsay@niagaracc.suny.edu
Flyers are due on the Wednesday the week prior to the event.
