

Important Fall Deadline:

The deadline to request an S/U/W Grade or Withdraw from the College is **Monday, November 27**.

- **Withdraw from a Class** – To drop a course and receive a W (withdrawal) grade as a final grade, complete the electronic [Drop or Withdraw from a Course](#) form.
- **Withdraw from College (All Classes)** – To withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Request for College Withdrawal \(All Classes\)](#) form. If you completed any modular courses, you will receive the grade earned, and “W” grades will be applied to all other college coursework.
- **Satisfactory/Unsatisfactory (S/U) Grades** – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student’s advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades.

Mod courses differ in deadlines – refer to the online [Student Calendar](#) for more information.

If you would like to discuss these options, please contact the Student Success Center at 716-614-6290 or email studentsuccess@niagaracc.suny.edu.

If you have any questions about submitting a form, please email records@niagaracc.suny.edu or stop by the Enrollment Center in A-105.

Please be mindful of the possible implications for transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please contact the Financial Aid Office for questions related to Excelsior.

Expand Your Horizons . . .

All too often, human beings find themselves in a rut. We need to branch out, to explore something different. Artists do this, too, often with invigorating results. They collaborate with new people or investigate a different form of art. Actors play against type. Join the NCCCinephiles this term for two splendid movies that will open your eyes.

Inherit the Wind

(Stanley Kramer, 1960)

Thursday, October 26, 3:15-5:30, E-142 | Presented by S. V. Buffamanti

How far would you go to stand up for what you believe in? How should good people who disagree on fundamentals interact in a democracy? Kramer's movie presents the dramatized controversy of the Scopes "Monkey" trial, a case that still seems relevant. Stellar performances by Spencer Tracy and Fredric March (the actor whom Marlon Brando admired above all others) are standouts, but other casting choices offer surprises, too.

La Belle et la Bête

(Jean Cocteau, 1946)

Monday, November 27, 2-4:15, E-142 | Presented by S.V. Buffamanti

Decades before Walt Disney Studios surpassed expectations when the animated Beauty and the Beast earned a nomination for Best Picture at the Academy Awards, Jean Cocteau and a bevy of collaborators used movie magic to bring that fairy tale to life in a live-action film that quite literally sparkles. Cocteau's influence continues to this day across many forms of art, including theater, film, and music. Come welcome in the winter months with a classic fairy tale, as you have never before seen it.
