

History

The Presidential Partners group was formed in 1993 by the late President Gerald L. Miller. Annually, a group of local leaders, alumni and other community members were invited to join the Presidential Partners, to become acquainted with the President and be included in special activities or significant events associated with the College.

In return, the Presidential Partners were asked to donate \$1,000 to the Foundation annually to participate in this important endeavor. It was renewable with their permission.

Membership Benefits

- Invitations to special College events such as Commencement and theatre productions as a guest of the President
