

SUNY Niagara

Accounting, A.S.

Overview

Accounting is the backbone of all successful businesses and organizations. Students in the Accounting AS degree program will be given a firm foundation in accounting, business and general education classes enabling them to transfer easily into a baccalaureate program in accounting and pursue their career goals. Accounting affords a variety of rewarding career paths, leading to employment in private industry, public accounting, governmental accounting, tax and not-for-profit work.

Designed for transfer into a 4-year institution.
