SUNY NIAGARA

Digital Media:

Video and Audio Production, A.S.

Overview

Students in the Video & Audio Production track can expect to gain hands-on experience in the classroom, on film-style production sets, and in a multi-camera TV studio environment. Students have access to a wide variety of professional equipment and facilities at SUNY Niagara. When you graduate with your AS in Digital Media, you will be able to produce video and audio projects, understand digital recording and editing systems, create visual effects, and perform basic camera, lighting, and sound operations. Outside of the classroom, students are welcome to join the Digital Filmmakers Club, the Illumination Society Animation Club, and participate in the annual SUNY Niagara Film & Animation Festival.

Designed for transfer into a 4-year institution.

Careers

Careers related to your program of study:
• Director & Editor
• Multimedia Developer
• Project Manager
• Social Media Manager
• Video Producer

Some careers may require more specialized education.

Division

Arts, Humanities & Social Sciences
