

SUNY NIAGARA

Liberal Arts and Sciences: Humanities and Social Science, A.A.

Overview

This program is designed for students who want to challenge their view of the world and grow as individuals major in Liberal Arts. Each student will study art, science, math, history, foreign language and literature. Those who wish, may follow tracks in Anthropology, Economics, Film Studies, History, History Education, Native American Studies, Sociology, or Spanish. All majors will practice critical career skills in writing, communication and teamwork while learning to identify problems and create new solutions.

Designed for transfer into a 4-year institution.
